Manufacturing complete Fully vertical integrated setup.

About us

Sakthi Home Linens : Crafting Sustainable Fashion for a Greener Future.

Welcome to Sakthi Home Linens, a pioneering force in the world of home textile and textile manufacturing since 1986. With a rich heritage and commitment to excellence, we have been proudly supporting some of the world's leading brands with our impeccable products and services.

As a one-stop shop, we offer bespoke design development and manufacturing of Home Linens & life style ap pannels.From conceptualization to production, our skilled team ensures unparalleled quality and craftsmanship, tailored to meet the unique requirements of each brand we collaborate with.

With a sustainable view, we prioritize ethical practices, social responsibility, and environmental stewardship. Our commitment to sustainability is reflected in every aspect of our operations, from responsible sourcing of materials to minimizing waste and promoting fair labour practices.

At Sakthi Home Linens, we are proud to be the **first LEED Platinum Certified Textile Green Factory in India**, embodying our unwavering commitment to sustainability. Our Eco-Friendly and Vertically Integrated Manufacturing Unit operates entirely on renewable energy, reducing our carbon footprint and preserving the environment for future generations.

When you choose Sakthi Home Linens, you not only receive exceptional products and services but also contribute to a greener and more sustainable future. Join us in our journey towards a better world as we create fashion that blends style and conscience.

Together, let's embrace sustainability and make a positive impact on the world through responsible fashion.

Director's Perspective

C. Chandramohan (Founder)

As pioneers of sustainability, we integrate eco-friendly practices at every step. Our vertically integrated manufacturing unit powered by renewable energy showcases our commitment to a greener future, where sustainability and fashion harmoniously coexist.

Vinoth Kumar (Managing Director)

Being vertically integrated gives us a unique advantage. From design development to production, we maintain full control over every aspect, ensuring seamless processes, efficient resource utilization, and the ability to deliver exceptional, sustainable products to our esteemed clients.

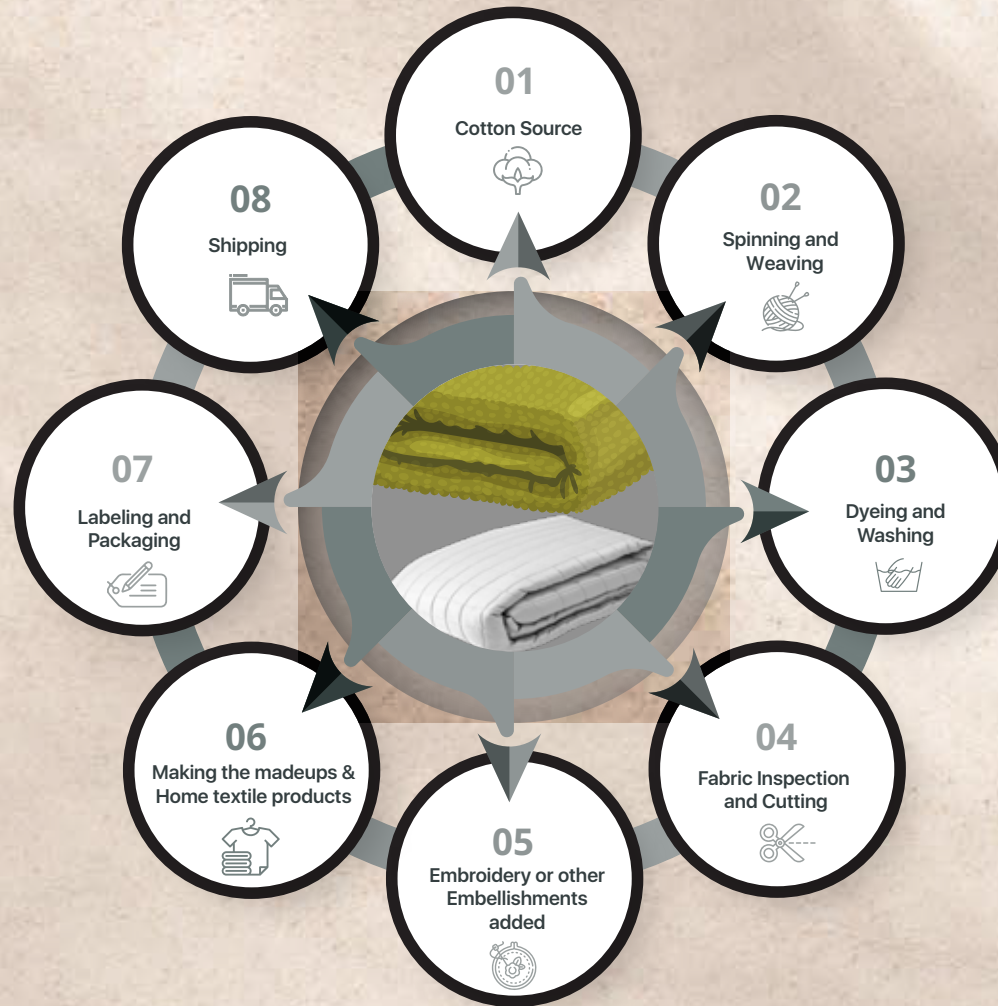

Rajiv Kumar (Executive Director)

At Sakthi Home Linens, our unwavering commitment to quality sets us apart. From meticulous craftsmanship to stringent quality control, we ensure that every product we create meets the highest standards, reflecting our dedication to excellence.
